Newsletters, publications, printed material, correspondence and business records created and collected by the Albany Lions Club between the years of 1931 to 1938. The bulk of the papers consist of 26 Lions Club newsletters entitled "The Lions Tale."

Correspondence includes political propaganda from the local election candidates.

Publications such as the by-laws and constitution for the International Association of Lions Clubs, a card printed with a list of the Lions Club objectives and records used to run the local organization such as receipts, a supply brochure and District Convention materials complete the archive.
